

Vektorius::push_back

```
graph LR; A[Vektorius::push_back] --> B[Vektorius::reallocate]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'Vektorius::push_back'. The right box is white with a thin gray border and contains the text 'Vektorius::reallocate'. The blue arrow points from the right side of the left box to the left side of the right box, indicating a flow or a call from the first function to the second.

Vektorius::reallocate
